interview.

Q. Did you -- what happened -- withdraw.

Did you ever leave the pool area with Donald Trump or Melania Trump?

A. Yes.

Q. With whom?

A. With Donald.

Q. And how did that happen?

A. He -- Melania was going upstairs to change -- excuse my emotions -- and Donald said, Have you seen the so-and-so room? Have you seen the painting in the whatever room. He wanted to show me a painting or a room. I said no. He goes, I'd like to show you. So he took me to this room.

Q. Do you recall what room it was at Mar-a-Lago?

A. I mean, I don't know how to -- I don't know that it had a number on it, but all I remember is we came in the back door, walked down the hallway, and turned right into a room. That's as I recall it, but I haven't really seen pictures to know -- I haven't really seen a layout of Mar-a-Lago to know exactly what door.

Q. And what happened when you got to the room?

NATASHA STOYNOFF

A. I walked in and he -- I walked into the room first and I'm looking around the room wondering what does he want to show me. Nice room, what does he want to show me. Then I hear the door close behind me and I turn around and he's right here (indicating), and he grabs my shoulders and pushes me against this wall and starts kissing me.

Q. And did he say anything when he started kissing you?

A. No.

Q. Did he say anything before?

A. Not that I recall.

Q. And what was going through your mind when Donald Trump did this?

A. Complete shock. Thank you. Complete shock because it was very fast and I was taken -- taken by surprise.

Q. And do you recall how you reacted?

A. I recall pushing him back twice. I recall trying to say something, but not really being able to. I was so flustered.

Q. And when you pushed him back the first time do you recall how Donald Trump reacted?

A. Yes. He just came toward me again.
